

Katie Gandy

Project Accounting Manager, Barton Malow Company

Detroit Chapter 183

Katie is a construction industry professional with a diverse skill set honed over eleven years of professional experience. With a strong background in construction payroll and community engagement, Katie has successfully managed complex financial operations for a wide range of construction projects.

Throughout her career, Katie has demonstrated a meticulous approach to project accounting, ensuring accurate financial tracking and reporting. She possesses a deep understanding of cost control, budget analysis, and forecasting, enabling her to effectively manage project finances from initiation to completion. With a keen eye for detail, Katie consistently identifies areas

for cost optimization and implements strategies to maximize profitability.

In addition to her financial expertise, Katie has a passion for community engagement. Recognizing the importance of establishing positive relationships with stakeholders, she actively collaborates with local communities and builds partnerships with suppliers, subcontractors, and government entities. Katie's exceptional communication and interpersonal skills have enabled her to successfully navigate complex projects while fostering strong relationships with diverse stakeholders.

With a commitment to excellence and a comprehensive understanding of project accounting principles, Katie has proven herself as a trusted leader in the construction industry. Her ability to balance financial management with payroll experience and community engagement makes her a valuable asset to any construction project.
