

## **Lisa LeMieux**

Detroit Chapter 183

Lisa is a Project Coordinator for Ghafari Associates, an Engineering/Architectural firm. She previously worked in the same role for Dee Cramer, a commercial HVAC contractor. Before working in the construction field, Lisa was an elementary school teacher. Her strengths include handling multiple tasks simultaneously with each one being completed in a quality matter, effective time management, and attention to detail. Lisa is a new employee at Ghafari and she looks forward to contributing to the success of the company. When away from work, Lisa enjoys spending time on the Detroit River, cooking, and reading fiction novels. Be sure to ask if you need a recommendation for a great book!
